About Dallas Service Forum:

Dallas Service Forum is a 100 percent non-profit volunteer organization for women dedicated to building a community of volunteers to serve Dallas area youth, families and the elderly. The Dallas chapter was formed in 1977 to create greater interest in civic, education and philanthropic endeavors in the greater Dallas community through volunteer work. Since it began nearly 50 years ago, the organization has donated hundreds of thousands of volunteer service hours to the non-profit agencies it supports, and has donated more than \$1Million in direct grants and non-grants to worthy non-profit organizations. In 2025 alone, DSF provided more than 10,000 hours of volunteer service, funded, prepared and served over 7,500 meals, and funded additional programs and services for those in need. Dallas Service Forum is a trusted ally to its Agency Partners, and its purpose is steadfast – to meet the needs of Agency Partners, remain a source of strength and support for those they serve, and serve the Dallas community.
